REPORT OF VALUE EDUCATION SESSION (CLASSES VII & VIII) AUG 16, 2021

An online session on Value Education was conducted for classes VII & VIII by BK sister Nikita from ORC Gurugram. Anushka Ohlan started the session by welcoming BK sister. The topic was respect. She explained the topic with the help of small stories which were very inspiring. As per Didi respect means respect for oneself, persons, surroundings, environment, youngsters, elders and even for the gadgets we use. Then different means of respect were discussed. Tavishi Chaudhary also shared a story. It was an enriching session. Also the stories were motivating and we are sure that kids will definitely apply these teachings in their real life. At the end vote of thanks was proposed by Nehal Jogai.
