In the end everyone received the blessings of Center Incharge BK Ramesh didi in the form of her pearls of wisdom and "SAUGAT" from BABA'S home. She emphasized on dealing with young minds with utmost love and care and she advised everyone to check the quality of thoughts before dealing with children or doing any work. So everyone must feed their souls with positive thoughts and GOD'S versions on regular basis. Everyone was amazed to know the power of thoughts and happily accepted the fact that whatever change they wished to see in the outer world that should happen first at the level of thoughts. It was an enriching session for all.

ये जानकर बहुत अच्छा लगा की सामने वाले को बदलने के लिए सिर्फ प्यार से बोलना नहीं है उसके बारे में सोचना भी अच्छा है। मुझे उम्मीद है की इससे हमारे सारे रिश्ते बेहतर होंगे।
