The Award in Action

Continuing our stories to showcase the tenacity, character and determination of Award Participants to continue their Award Journey in these unusual times.

Bronze level Award Participant, **Sachi Lad**
from **Jindal Vidya Mandir, Salav.**

My experience as a participant of The International Award for Young People was very nice. Earlier I did not like walking but now I do the same activity with eagerness. I read many books during this Award journey and now I can read and talk more fluently in English. Seeing pictures of cleaning on beach or my surrounding or spreading awareness regarding cleanliness made me happy and satisfied. I must say overall journey of The International Award for Young People was good.

Adults in the Award Satisfaction Survey

"If there is one thing which the experience of the scheme re-affirms and re-emphasizes time and again, it is the involvement and dedication of adults that is absolutely critical to its success."

- HRH Prince Philip, The Duke of Edinburgh

This survey is designed to understand the experience of all adults involved in the delivery of the Award in 2021. **Your responses will help us ensure that staff / volunteers are satisfied with their Award involvement and are able to deliver the Award to a high standard.**

The International Award for Young People is committed to offering the best quality support that all adults associated with the Award expect and deserve in order to have an efficient and fun-filled Award journey!

Once a year, we run a satisfaction survey for all Award Units, to allow our dedicated Award Volunteers to express their opinions about the Award, tell us about their experiences delivering the Award, and help us improve the support we give to Award Units.

To get your inputs, we request you to answer a few questions, which will guide us to serve the Award Community more efficiently, simplifying the path of the Award Leader. **Please fill the survey here:** https://intaward.eu.qualtrics.com/jfe/form/SV_5hUreqSxrPxbip7

Call for Award Stories!

The International Award for Young People, India invites all of its Award Participants and Award Leaders to send us write-ups/stories of their Award journeys. The Coronavirus induced pandemic had brought about unprecedented changes and obstacles for all of us. Millions of people around the world have been affected by the COVID-19 virus outbreak. In several places, schools and youth organisations had to be closed and people confined to their homes to reduce the spread of the virus. This proposed a challenge before youth organisations like The International Award for Young People as we all shifted to an online mode of work. However, our young and motivated Award participants did not let the pandemic deter their spirits, and with the help and support of their Award leaders, many have successfully completed the Award. We thus, call upon all our Award Participants and Leaders to share with us their journeys of pursuing the Award during this pandemic. We would love to know and publish your Award success stories in The Award Weekly.

Send us your Award stories and photographs at – ai@iayp.in with the following details:

- **Name**
 - **Institution**
 - **Award Level**
 - **Whether pursuing the Award or completed/Date of Completion**
-

The International Award for Young People and the Cambridge Assessment International Education

The International Award for Young People is presently working with Cambridge Assessment International Education in providing new ways to broaden the curriculum in the education world in India. Coronavirus (COVID-19)

Millions of people around the world have been affected by the COVID-19 virus outbreak. The safeguarding of all those connected to the Award – be they participants, volunteers or staff – is paramount and we know that you will be looking to your local public health bodies to ensure risks are managed appropriately in your Award Unit.

We recognize that the virus can make it difficult for some Award participants to maintain Award activities, but it doesn't have to. [Click here](#) for some creative ways for participants to continue their Award activities at home, whilst providing enough evidence to their Assessors and Award Leaders that they can continue progress to their goals.

It is paramount that anyone considering undertaking Award activities outside of the home in areas affected by the COVID-19 virus outbreak must consult their local

public health authorities before doing so.
