# *This* WEEK!!!

Over the course of the week, several thrilling events happened. A highly instructive field trip to Tosham was taken by grade XI students of Geography, and a much thrilling inter-house Triathlon which left us all breathless- of course with excitement and laughter. An obstacle course was held for the adventurous girls of grade VI and VII. The GK Quiz, which left us awestruck and the entire assemblage with a huge amount of learning and knowledge. The MAT workshop, which is held every alternate Sunday in order to assist students to improve their analytical and logical skills for the preparation of competitive tests such as the CUET and CLAT, was held and has proven effective in fostering the intellectual growth of the young aspirants of our school. The 'School Band' showcased their chiselled and disciplined March-past with rhythmic drum beats on the occasion of 77th Independence Day at Jindal Steel Limited, Hisar.

# SCHOOL AND BEYOND

Hold onto your hats, folks, because our school's inter-school events are turning up the excitement to eleven!

We've got badminton battles that make superhero showdowns look tame – shuttlecocks are flying like they're auditioning for a blockbuster movie.

The 'J.K. KATE' competition swept through, leaving a trail of electrifying debates, eye-opening reviews, and brain-teasing quizzes. This extravaganza isn't just an event; it's a journey into the heart of wit and wisdom.

And if you thought that was the peak of fun, think again! Our basketball team went head-to-head with Holychild School in a clash that has more strategy than a chess game and more sweat than a sauna.

Three Jindalites participated in the XXXIII Bihar State Shooting Championship held at Kalyan Bhiga Indoor Shooting Range, Nalanda, Bihar, from 12th-14th August and with their fantabulous performance brought home a volley of medals.

All the students have also qualified for the pre-national (Eastern Zone) competition. But don't leave just yet. Stay tuned for a whirlwind of excitement next week that will leave you on the edge of your seat!

## B'day Cake Recipe

### 1. EVERYTHING YOU NEED

Mug

Metal Bottle

Water

Nutella,  
parle-g,  
bornvita

### 2. PROCEDURE-1

- First mission would be to gather heaps of Parle-G, whilst keeping them far hidden from the dorm parents' and aunts' inquisitive eyes.
- Choose an isolated room (which is quite rare) located far from the teachers and, of course, the birthday girl.
- Crush the biscuits using a metal bottle, but make sure to leave someone outside to keep an eye out for any noise pollution that results

### 3. PROCEDURE-2

- Mix water with the crushed biscuits, making a complete mess of the study table of one *bechara* student.
- Next, wander from room to room gathering some nutella to add to the gooey biscuit batter in an effort to prevent it from being ruined.
- At last, take the batter out from the container and mold it in any shape you like.

### 4. LAST BUT NOT THE LEAST

## GIFT GOD GAVE US

I see that sunshine  
And I want to make it all mine  
The pretty pink evening skies,  
Looking at those, our stress dies,  
I look at the beautiful trees,  
Swinging in breeze.  
I hear the chirping of birds  
And wish I could understand their words  
I see the jumbled white clouds  
And like me, they can't solve their doubts  
I wonder how responsible are the leaves,  
Feeding the plant with such ease.  
I am addicted to the stars,  
Takes my heart from so far.  
There is no fault you can detect,  
The nature is just so perfect.

## STUDENTS' OPINION

Small steps matters....

The dictionary says freedom is the “power or right to act, speak or think as one wants” but what does it mean to the students of VDJS? Let's find out.

Manya Jhunthra XI-C2

- Freedom to me is a morning without merciless sports and having the comfort of a TV in my hostel room. A world where I can swap running shoes for remote control and start my day with a dose of music.

- 

- Kavya XI-H

- My ultimate wish- getting laptops every day and be allowed to use it however I wish. And rather than submitting my MP3, I wish to groove on my way to classes.

- 

- Deepali Yadav XII-H2

- Rather than having to change my attire every hour, the biggest freedom would be to just walk up to the mess in my crocs and shorts. (with a bottle of sauce in my hand)

- 

- Aarna V

- Wearing civil clothes daily and less holiday homework because all I did the whole vacation was finish mine! In fact, I want NO holiday homework at all because I don't see the point of giving us holidays if all we do is study even then.

- 

- Tanishka IV

- Freedom for me is being allowed to have lots and lots of tuck and watching TV all day! I would study too but only when I wanted to, and I would wake up anytime I wanted because I love sleeping.

## मेरा रंग दे बसंती चोला

मेरा रंग दे बसंती चोला,  
बस इतना अरमान होना।  
एक बार इस राह पर मरना,  
सौ जन्मों के समान होना।
