THIS WEEK

HEARTY WELCOME TO OUR NEW STUDENTS

This week was hectic and a tad bit stressful for our old students as they trudged down the long main road of the school with their suitcases in hand, returning to where they started. But on the other hand, the newbies stroll through our canopied vistas, brimming with anticipation, excitement, and enthusiasm; however, a few of them were nervous too. The new admission students were welcomed with open arms, and after their registration procedure was over, they bid their parents goodbye. Afterwards they were taken on a tour to get to know their new school better. Later, they spent their time demonstrating their hidden talents at the art, music, dance, and sculpture clubs.

NEW STUDENTS DISPLAY THEIR TALENTS IN VARIOUS FORMS

A TRIBUTE TO BAUJI

Jindalites pay homage to Late Shri O. P. Jindalji on his 19th Death Anniversary

On March 31, 2024, our school held a solemn assembly to pay homage to our late founding father, Shri O.P. Jindal Ji, on his nineteenth death anniversary. The school choir sang mellifluous bhajans as the school staff and students came up to the portrait and offered fresh blooms one by one.

Following the assembly, the school choir moved to Jindal Steel Limited, where they sang again for the Jindal family as they prayed and offered floral tribute to him. Sir Naveen Jindal and Ma'am Deepika commended the choir for their performance and thanked them for making their bauji's death anniversary a memorable event.

Even 19 years after his death, Shri O.P. Jindal Ji continues to motivate and inspire people throughout the country with his heroic actions that left an indelible mark in the history of Haryana and the development of girls' education in the country.

ROUND SQUARE SERVICE PROJECT

DALY COLLEGE COMMUNITY SERVICE

The Daly College Community Service and Wildlife Awareness Project commenced with our group of six, accompanied by Ma'am Sunita Verma, embarking on our journey to Khajuraho, Madhya Pradesh, on March 16. After arriving at Khajuraho and settling at Ken River Lounge, Panna, we delved straight into the Gond Art and Pottery Workshop. Following that, an ice-breaking session took place with seven other schools, and the students were divided into groups and trained on conducting vital health screenings for an upcoming campaign in Bagonha and Jhinna villages. After a fulfilling dinner, teams retired to their accommodations, preparing for the following day's activities.

The second day saw Group A engage in a nature walk, observing diverse bird species and animal paw prints before conducting a hygiene and eye camp in Bahoga village. Meanwhile, Group B embarked on a serene boat ride to the Ken River and explored the Pandu Caves, learning about the region's flora and fauna. After lunch in Jhinna village, Group B contributed to wall painting and construction at a government school before returning for dinner and a jam session.

On the third day, Group A continued their impactful medical camp operations, serving over 300 villagers and receiving positive feedback on the hygiene initiatives. Simultaneously, Group B conducted awareness campaigns in Jhinna village, emphasizing menstrual health and personal hygiene. The fourth day involved a thrilling safari for Group A and the management of a health camp for Group B, with both teams experiencing successes in their respective endeavors. The project concluded with Group A contributing to school infrastructure in Bagoha and bidding farewell to fellow schools, while Group B enjoyed a rewarding safari in the Panna Tiger Reserve, followed by a session on wildlife conservation and sustainable development.

This project laid a great opportunity to interact with our environment and make bonds with mother nature.

FAREWELL

MA'AM MONA AND MA'AM PARAMJEET GILL

Two of the most valuable flowers in our blossom tree have blown away to pursue their future endeavors. Our very own Mona Ma'am, also known as the joker of the school (not the one from IT), was that kind of teacher who teaches social science and so many more classes at the same time. Her classes were the highlight of our days. Do you think history is boring? Not with her, no!

Our shining gem of Sarojini, Gill Ma'am, is a motherly figure for all the students children in their second home. Words could never describe her sweet and humble nature. She was a star, one that everyone looked up to in their darkest times.

We'll all miss these memorable teachers. They'll stay in our hearts forever.

Trip To Shimla

Grades 10 to 12 went to Shimla for their annual excursion from March 19th to March 23rd, 2024. The students were exposed to the beautiful scenery and landscape as they visited the Chail Palace, Kufri Zoo, and Mashobra, where they camped in Mashobra Greens for 3 nights. Many adventure activities were conducted, where the students' fitness was put to the test as they rappelled down a 120-foot steep hill. The students did a valley crossing where they had to pull themselves along the ropes that were set up by the skilled professionals. A zipline was prepared for the Jindalites' journey down the cliff. The students learned teamwork and were enriched on wilderness survival skills as they competed to see which team could put up a fire and cook the best instant noodles first. The experience was enthralling, and the Jindalites were ecstatic about this trip. The memories are forever; the bonfire, the dance, the music, the food—everything was just superb. All troubles and worries had fled as they immersed themselves in these merry-making and gratifying activities. The trip concluded with a hearty lunch at Dominos as the buses blasted with music back home.

TRIP TO MAINITAL

The wilderness is an ideal picture of chaos. Harmless creatures are running around, making noise everywhere. But it also symbolizes beauty and peace. The Jindalites of classes 4 to 8 experienced this beauty. The journey started with snores but ended with unlimited energy! We began with a tiger safari, where we sat in gypsies. Let's just remove the word tiger from this ride filled with only and only deer! After that, we reveled in the history of Jim Corbett at the museum. We prayed at two mandirs and dipped our feet in the cool, refreshing waters of the Kosi River. The next morning, we were all separated into groups and sent off for the zoo, where we saw really weird birds and the majestic Bengal Tigers. Jhoesping started at the mall road, where we bought food and gifts for our loved ones. In the early hours of the next day, we went to the suicide point. Nobody fell, though! (What a relief!) The third day almost ended near the waterfall but was saved by the DJ night, dancing in a cluster of laughs.

Celestial Insights

ARIES -

This is the time to show the world who you are and to own it fearlessly. Set out towards your studies with a revived spirit. Treat your body with respect and moderation and go and get em aries!

VIRGO -

This month is a time of inner reflection and change. This is the moment to catch up on those studies that need deep concentration and analysis.

TAURUS -

The month of April is a time of introspection and self-searching. This period of introversion might seem like a retreat from the external world, but it is definitely a time for inward exploration and emotional reflection. Spend this period to gain clarity about what you want to do.

CAPRICORN -

This is the month to create your inner world and make the base for all your plans. Although your attention might be on domestic challenges, this will not slow down your studies. Analyse your present work that will help you to meet your long-term goals.

GEMINI -

This month will likely bring a new interest in your social life and ambitions. This is an excellent opportunity to demonstrate your ability to communicate and work with your classmates to develop ideas.

SAGITTARIUS -

Welcome the playful and creative atmosphere that April offers. This is a great chance to get involved in a leadership role in your current position, or you can consider freelance opportunities that would help you use your talents. Consequently, try not to be overloaded with too many things at a time.

CANCER -

This is a fantastic month that can drive you forward and help you to achieve your study objectives. Your ambition and hard work are likely to be noticed, which may lead to the opportunities for advancement.

AQUARIUS -

This month is flooded with intellectual undertakings, social interactions, and personal development. You will be inclined to acquire new skills or take up projects that require the brain to be energised and excited. This is a perfect chance to show your skills.

LIBRA -

April is the month to connect with the pairings might and strengthen your studies and relationships. Sharing experiences with classmates will help open the door to important projects, especially during the first half of the month.

PISCES -

This month will help you develop a high sense of self-esteem. In addition, be aware of putting yourself in a situation where you need to do something that doesn't help you achieve goals.

LEO -

It's a month filled with personal growth and expansion chances. You can be tempted to consider enhancing your skills or learn more. Try out for a conference, or a webinar. The main emphasis for this month is the growing.

SCORPIO -

You will likely be super busy working on the details in April and getting things in order. You might suddenly find yourself working on assignments with reinvigorated concentration and the eagerness to create value.

Pastoral Workshop

On March 29, 2024, an engaging workshop centered on pastoral care took place under the esteemed leadership of Ms Jyotsna Brar. The entire pastoral staff and tutors attended the session that explored the intricacies of the recently implemented House Wise System, student behavior guidelines, and essential protocols. The workshop was marked by lively discussions, queries, and the exchange of valuable insights, leaving the audience enriched and appreciative of the principal's guidance.

This event not only shed light on their duties but also provided them with modern methods to foster the intellectual development of the students. The workshop fostered a sense of empowerment and teamwork among the pastoral staff bringing out their roles as mentors shaping the future of the students. With a revitalized commitment, the pastoral team left the workshop ready to fulfil their purpose of contributing unwavering support and guidance to the students, creating an environment conducive to growth and education.
