Section-wise CUET 2024 Syllabus and Exam Pattern

CUET (UG) will be conducted by the NTA in a hybrid (online & offline) and MCQ-based format. It has also been announced that the CUET 2024 exam dates will be between May 15 - 31, 2024. The exam will be conducted in 13 different languages across various states in India. Students should go through the complete CUET syllabus 2024 and prepare a brief study plan to ace their CUET preparation. According to NTA, the CUET 2024 syllabus will remain the same as the previous year, which is the complete NCERT Class XII syllabus for respective subjects.

With approximately 3 lakh UG seats on offer across 250+ universities, including 44+ Central and several other (state, private, and deemed) Universities, CUET 2024 will be a tough nut to crack. Students must go minutely through the CUET UG syllabus and CUET 2024 exam pattern to gain detailed awareness of the same and prepare an effective strategy to ace their CUET preparation.

Follow this article till the end to learn about the detailed section & subject-wise CUET syllabus 2024 and the CUET exam pattern.

Mr Hamid Jamal Khan - Career Counsellor

CUET Syllabus 2024

NTA has officially announced that the CUET UG syllabus for 2024 will be the complete NCERT Class XII syllabus for respective subjects. Students must carefully note that the CUET syllabus is the complete NCERT Class XII syllabus, and not of any particular Boards (CBSE or ICSE) Class XII syllabus. Follow this article till the end and go through the detailed CUET 2024 syllabus

CUET 2024 Syllabus: Highlights

Following is a rough outline of the CUET UG syllabus for 2024:

Sections	Description	Details
Section IA & IB	Language	RC (Reading Comprehension), Grammar, Books & Authors
Section II	Domain Subjects	Complete NCERT Class XII syllabus
