# THIS WEEK

Another week went by in a fervour of competition, sweat, and dirt. But the biggest quest that our Jindalites had to face in the span of this week, and perhaps in the span of the whole year, was the interhouse cross-country. And from the tedious ordeals of the field, some skilled swimmers fell straight into the ice-cool pool under the unyielding sun of VDJS. Simultaneously, buses returning from Scindia Kanya Vidyalaya bring back promising future lawyers with new-found experience.

Until this week!

# IPSC BASKETBALL

The IPSC basketball tournament held at Vidya Devi Jindal School from 2nd to 4th October was a thrilling display of hoops and shoots as 12 teams competed for glory. Though the tournament saw its fair share of attacks and defenses, MNSS Rai Sonipat emerged as the clear favourite early on. With slick passes, they breezed through the competition, setting the stage for an intense final showdown against The Hyderabad Public School, Begumpet.

The final match was nothing short of a nail-biter, with the two teams fighting for the championship. The court was packed, and everyone's emotions were running high as MNSS Rai's star shooter sank an incredible 3-pointer from halfcourt, sealing their victory. Each team put up a fierce fight, and in the end, MNSS Rai lifted the trophy amidst wild celebrations, proving that in basketball, it's all about heart, dedication, and a little bit of luck. Four players, Avishi Sunder Chaudhary, Mansha Goyal, Chhavi Bansal and Sehaj Panjatha—qualified for the SGFI Nationals. Mansha Goyal also bagged the Best Defender, and Avishi Sunder Chaudhary was awarded the Emerging Player trophy.

# CBSE TAEKWONDO

The VDJS taekwondo team recently participated in the North Zone 2 CBSE Taekwondo Competition, a prestigious event that brought together over 250 schools from the region. Under the guidance of the teacher in charge, Mr. Rakesh Kumar Sharma, and Mrs. Geeta Verma, the 16-member team showcased tremendous spirit and skill. Ensuring that every participant remained focused and enthusiastic, they fostered an atmosphere of confidence and competitiveness. Among the participants, Kinjal of Class 12, Savitri House, secured a bronze medal, bringing honor to the school and exemplifying the dedication and talent within the VDJS sports community.

# JEWELLERY MAKING WORKSHOP

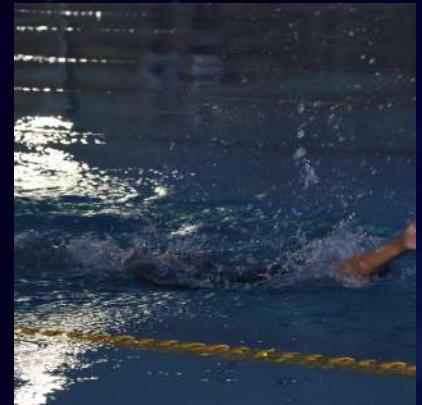

After a hectic exam schedule, the Jindalites found a refreshing way to ‘chill’ by engaging in the creative art of jewellery making. Around 20 students gathered in the Savitri House common room and geared up for the jewellery-making workshop, organised by Sir Biswanath. With beads, pearls, and colourful threads at their disposal, they immersed themselves in crafting unique pieces of jewellery. The activity provided a therapeutic escape, allowing the students to relax, bond, and express their artistic flair, all while learning new skills in a fun and collaborative environment.

# INTER-HOUSE SWIMMING

Under the warm morning sun, the paths seemed to echo with flops and splashes, as nothing seemed better than a competitive pool day. From September 30 to 1 October, there was the interhouse swimming, where the four houses with their skilled and trained swimmers put up quite a show of whose swimmers swam the fastest. The event comprised freestyles, back floats, butterflies, and even relays that carried a spirit of restless energy, stamina, and perseverance. I bet the meals were the most awaited by the swimmers that day, as the competition was tight and swimmers left no chance to put their right leg forward.

# INTERHOUSE SOLO SINGING

The interhouse solo singing competition was in full swing, and as performers took the stage, a mix of excitement and dread filled the air. Claps and cheers erupted from the audience as each song unleashed a whole new perspective of western and Indian songs. It was a rollercoaster of emotions, where moments of gazette-worthy voices collided with genuine talent, reminding everyone that while the competition was fierce, the joy of singing and a few moments that will stay with us the whole year was the real prize. By the end, it was clear that it wasn't just about hitting the right notes; it was about celebrating the quirks that made each performance unique, and maybe next year, someone would muster the courage to join in—if only to give the boldest acts some competition! In short, the interhouse solo singing competition was a vibrant celebration of talent, where the joy of performance and unique talents outshone the fierce competition.

# INTERHOUSE MEGA QUIZ

The Interhouse Mega Quiz was held at our school on the sunny day of October 27th. The four teams appeared quite anxious. The excitement in the air was palpable as students from all four houses gathered in the auditorium, eagerly anticipating the challenge ahead. The quizmasters, Mr. Vinayak, Mr. Abhijeet, and Mr. Deepak, were ready to test the knowledge and quick thinking of the participants. The teams took their places at the front. The audience, a sea of curious faces, buzzed with anticipation. As the first round commenced, questions spanning various subjects were fired at the contestants. The atmosphere grew intense with each passing question, cheers erupting for correct answers and groans of disappointment for missed opportunities. However, Team 4 demonstrated exceptional performance and emerged victorious.

# INTER HOUSE SEMI-CLASSICAL DANCE

On the vibrant afternoon of October 11, 2024, Vidya Devi Jindal School came alive with the rhythm and grace of classical dance. The interhouse duet competition saw spirited performances from all four houses. Kasturba mesmerized with the fluid elegance of Mohiniyattam, Sarojini dazzled with the rhythmic storytelling of Kathak, Savitri enthralled with the grace of Bharatnatyam, and Laxmibai captivated with the soulful movements of Odissi. The audience, entranced by the artistry, erupted in thunderous applause after each spellbinding performance, leaving behind an afternoon to remember.

# INTERHOUSE ATHLETIC MEET

The interhouse athletic meet, held from September 25–30, 2024, was an array of competitions. From shot-put, discuss throw, long jump, and high jump to relays and running events. The athletes rendered their performances with speed, agility, and intelligence. The participants were unstoppable just as the ticking seconds of the stopwatch. While it was a portrayal of their individual potential, it also showed their loyalty and devotion towards their houses. As always, the competition was again an amalgamation of hard work and plenty of mental strength. Perhaps you never lose but rather learn a lesson or triumph over.

Heartiest congratulations to the winners!

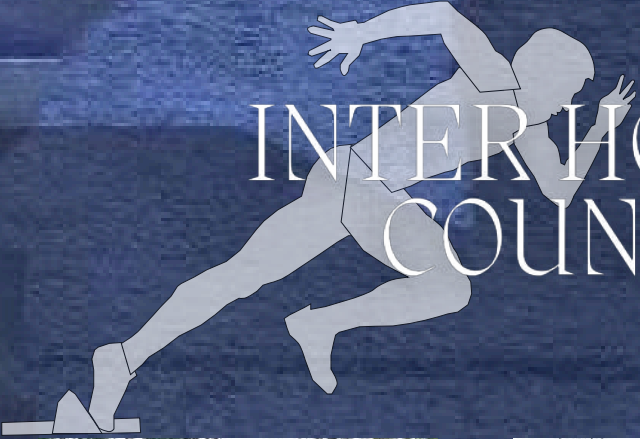

# MOOT COURT

Scindia Kanya Vidyalaya SAAKSHYA The International Moot Court Competition 2024-25 was held from September 20-21, 2024, at Scindia Kanya Vidyalaya Gwalior. Our school sent six promising future lawyers to test their hands at the court simulation. The Chief Guest, Justice, J. R. Midha, a revered judge from high court, graced the event and dispensed judgment for the final round. Moot court competitions helped our students to develop their research, writing, and oral advocacy skills, as well as their ability to adapt to a real courtroom environment.

# INTER HOUSE CROSS COUNTRY RACE

On the 6th of October 2024, the competition, which has always proved to be the ultimate test of perseverance and endurance, was held. The cross-country interhouse is the most dreaded, as well as revered, interhouse of the year. With the students and prefects cheering on their respective house participants, the event concluded with the position holders having to prepare for an ultimate showdown on Sports Day. Though the trail of 2.5 km was a tiring one, all the Jindalites didn't turn their heads back and kept running ahead to win points and keep their house flags waving high.
